14. GM's ramble

Hi and welcome to the second season of Rosedale Open!

Since I'm going to have to merge and thus re-type a lot of stuff, I've allowed a club name change this time:

Øyvind H. Henriksen has renamed his club Desassossego Boys to Desassossego Blues

As mentioned earlier, Algorion Wonderboys and Equipe de France has ceased to exist - and later, Rocking Harmonies also joined them.

Paul Riley has started a new team called Sleep Wanderers
Ian Moes has started a new team called First Men of Rome
Espen Chr. Brill has started a new team called Monkey Business
Inge Simonsen has started a new team called Bananas United
Luke Matthews has started a new team called Floating Windy City
Sean Cable has started a new team called DC Red Hot and Blues
Seth Owen has started a new team called Pirates Haven
Daniel Ingesson has started a new team called World Ambassadors
Jørgen Bjørnelv has started a new team called Galaxy Brothers
Keith Greer-May has started a new team called the Bluebonnet Plague
Darius Molloy has started a new team called Batt in Blax
Tor Magne Tønnessen has started a new team called Underdogs FC
Jaka Gorjan has started a new team called Lords
Egbert Ferreira has started a new team called Brazil Star Conquerors

In addition, I have started a new team called Refridgerator Heaven to fill the last spot. I will submit orders for it, but hope to have a new player take it over sometime soon - or if you don't have a team in the division, you can be the one to take it over.

Anything I can do to help, please do let me know.

Most teams have already been sent out, but I'll go send them out anyway - feel free to proofread, it was a lot of inputting, so I may have done mistakes.

The home advantage is 6 VP. Match 1 and 2 are played next round, as is the first round of the Rosedale Knockout. There are no home advantage in cup games.

The deadline for issue 2 is Friday, May 7, at 2130 CET.
