14. GM's ramble

Hello all, and welcome to a new season of Rosedale Open! A special welcome to Vladimir Stoyanov, Helge Saether, Holger Heiser, Charles Steinhardt and Klaus Fritz, who are joining us for the first time! Good luck to everyone.

Getting enough teams have taken a bit more time than I expected. I am sorry for this.

Please note and expect the deadlines to be =very strict=. Try to plan sending in your orders before the deadline day. This will both allow me to preprocess as many orders as possible, and greatly increase the chance I have of finishing the issue on Saturday my time. I want to get back to a very steady pace here, so do =not= expect leniency. I will accept orders after the deadline only up to the point where I've gotten past that point in adjudication, which given the most efficient way of doing things (which I will return to for this season) means that if you're more than half an hour late, you are probably out of luck.

As I have done earlier, I will once again put aside the time from 21:30 CET Friday to 4:00 CET AM Saturday for Rosedale adjudication. If I have everything by the deadline, then I should be quite far along with the adjudication when I go to bed, and will have an easy time finishing it between the other things happening Saturday.

Team changes are as follows:

Klaus Fritz has taken over Brazil Star Conquerors.

Vladimir Stoyanov has started a new team called Lokomotiv RS.
 Helge Saether has started a new team called Skeid Stars.
 Jørgen B. Vehusheia has started a new team called Dispelliarmus FC.
 Jaap Smolders has started a new team called Feyenoord.
 Holger Heiser has started a new team called Fjortoft's Friends.
 Paul Riley has started a new team called Tamriel Athletic.
 Charles Steinhardt has started a new team called Huddersfield Town.
 I have started a new team called Pohang Steelers.

In addition, Marvel Comics is without a manager and is free for takeover by anyone who doesn't have a Lexington League team - although of course, I'd prefer a new player :)

From each division except the Premiership, three teams will be promoted. From each division except South Keys Slugfest, three teams will be relegated. The last team of South Keys Slugfest will be relegated to the conference league.

For those so inclined, there is a chatgroup for the game. It doesn't have a very high volume - it hits a little peak now and then when a thread pops up, but it doesn't add significantly to your mail volume. It's a yahoo group called rosedaleopen - you can join it from the homepage.

I will update the homepage for this season soon. At <http://www.pvv.ntnu.no/~janbu/roopen.html> you can find it all :) The Rosedale Sun remains the official information source.

The home advantage is 6 VP. In the next issue, round 1 and 2 will be played, plus the first round of the Rosedale Knockout.

The deadline for issue 2 is Friday, April 28, at 2130 CET.

I will send out the teams at latest in a few hours.
