1. Introduction

Refer to GM's ramble, section 14, for information.

2. Broadcast messages

My apologies that I missed these last round.

Steve Janecek, Sheffield Thursday: "Last week and I have a shot at promotion - This is not the first time this has happened, its not the second, or third or fourth. However, only once I have been successful - maybe this time...just maybe"

Steve Janecek, Sheffield Thursday: "Erlend, I wanted to thank you on behalf of all that enjoy this league. All your hard work does not go unnoticed, nor does it go unappreciated!"

In addition, an introduction from Michael Hellige is attached!

10. Sales to the non-league

I forgot these last round, so I sold them now and changed FC Mokum's bankroll so that it is what it would have been if I sold them at the right time (for example changed the tax amount paid too).

14. GM's ramble

Let's get ready to rumble... season 13 is on the runway and about to launch!

First of all, I'd like to welcome Rutger Fiesler, Michael Hellige, Henry Springer, Sigurd Segtnan and Vegard Bertelsen who all join us for the first time. Welcome to Rosedale Open! Good luck to you, and to everyone else!

Team changes are as follows:

Rutger Fiesler has taken over Gangsters United and renamed it Famous Battles.
 Henry Springer has taken over Tamriel Athletic.
 Michael Hellige has taken over Feyenoord.
 Sigurd Segtnan has started a new team called Ergodic Theorems.
 Vegard Bertelsen has started a new team called Fenerbahce.
 Henry Springer has started a new team called Night Owls.

There is a team available for takeover - Dispelliarmus FC - so if you know a player who would be interested, be sure to let them know.

Promotions and relegations:

From each division except the Premiership, at least three teams will be promoted. From each division except Kirkwood Showdown, exactly three teams will be relegated. The last team of Kirkwood Showdown will be relegated to the conference league.

For those so inclined, there is a chatgroup for the game. It doesn't have a very high volume - it hits a little peak now and then when a thread pops up, but it doesn't add significantly to your mail volume. It's a yahoo group called rosedaleopen - you can join it from the homepage.

I will update the homepage for this season soon. At <http://www.pvv.ntnu.no/~janbu/ropen.html> you can find it all :) The Rosedale Sun remains the official information source. This season, I've done a quick update to the rules. I corrected what lacking information I could remember and what I was pointed to this week. Anything else, please let me know.

The home advantage is 6 VP. In the next issue, round 1 and 2 will be played. The first round of the Rosedale Knockout will also take place.

The deadline for issue 2 is Friday, February 1, at 2130 CET.

I will send out the teams soon.
