Teams not currently part of the league system are now conference league teams with 60 VP. All cup games are played on neutral field, thus neither team will have a home advantage.

### 14. GM's ramble

---

The 14<sup>th</sup> season is about to start. This time, we welcome no new managers - let's hope for some new players next season, shall we? Some rather inactive managers retain their teams; I think that is better than taking their teams away when it'd only be giving them to an AI anyway.

Team changes are as follows:

Ulf Jiretorn has taken over Al Rassan United and renamed it Jirs Park Rangers.

Michael Hellige has taken over Famous Battles.

I have started a new team called Drawmongers FC.

Promotions and relegations:

From each division except the Premiership, at least three teams will be promoted. From each division except Kirkwood Showdown, exactly three teams will be relegated. The last team of Kirkwood Showdown will be relegated to the conference league.

For those so inclined, there is a chatgroup for the game. It doesn't have a very high volume - it hits a little peak now and then when a thread pops up, but it doesn't add significantly to your mail volume. It's a yahoogroup called rosedaleopen - you can join it from the homepage.

I will update the homepage for this season soon. At <http://www.pvv.ntnu.no/~janbu/ropen.html> you can find it all :) The Rosedale Sun remains the official information source.

The home advantage is 6 VP. In the next issue, round 1 and 2 will be played. The first round of the Rosedale Knockout will also take place.

The deadline for issue 2 is Friday, June 13, at 2130 CET.

I will send out the teams soon.
