Teams not currently part of the league system are now conference league teams with 60 VP. All cup games are played on neutral field, thus neither team will have a home advantage.

14. GM's ramble

The 15th season starts now! Let us start by welcome Ronald Post and Karin Heinkele to the game! Ronald Post has started a new team called Queen, and Karin Heinkele has started a new team called Magical World.

Promotions and relegations:

From each division except the Premiership, at least three teams will be promoted. From each division except Kirkwood Showdown, exactly three teams will be relegated. The last team of Kirkwood Showdown will be relegated to the conference league.

For those so inclined, there is a chatgroup for the game. It doesn't have a very high volume - it hits a little peak now and then when a thread pops up, but it doesn't add significantly to your mail volume. It's a yahoogroup called rosedaleopen - you can join it from the homepage.

I will update the homepage for this season soon. At <http://www.pvv.ntnu.no/~janbu/ropen.html> you can find it all! The Rosedale Sun remains the official information source.

The home advantage is 6 VP. In the next issue, round 1 and 2 will be played. The first round of the Rosedale Knockout will also take place.

The deadline for issue 2 is Friday, November 21, at 2130 CET.

I will send out the teams soon.
