Teams not currently part of the league system are now conference league teams with 60 VP. All cup games are played on neutral field, thus neither team will have a home advantage.

14. GM's ramble

It's time for the 16th season! We unfortunately have no new players among us, but the show must go on anyway! So I've had the computer start a new team called Chess Masters to fill the last spot.

CF Adidal, First Men of Rome, Fantasy Finale and AZ all were short on VP and have been awarded old VP to reach the minimum strength.

Promotions and relegations:

From each division except the Premiership, at least three teams will be promoted. From each division except Kirkwood Showdown, exactly three teams will be relegated. The last team of Kirkwood Showdown will be relegated to the conference league.

For those so inclined, there is a chatgroup for the game. It doesn't have a very high volume - it hits a little peak now and then when a thread pops up, but it doesn't add significantly to your mail volume. It's a yahoogroup called rosedaleopen - you can join it from the homepage.

I will update the homepage for this season soon. At <http://www.pvv.ntnu.no/~janbu/ropen.html> you can find it all! The Rosedale Sun remains the official information source.

The home advantage is 6 VP. In the next issue, round 1 and 2 will be played. The first round of the Rosedale Knockout will also take place.

The deadline for issue 2 is Friday, March 6, at 2130 CET.

I will send out the teams soon.
