 Penalties: - ***1
 No goals from normal play in this game, but the referee helped Team Tobbi to a win with a dubious penalty.

13. Rosedale Knockout semi final results

FC Asskickers - Feyenoord 4 : 3 a.p. (0 : 0 ot., 0 : 0)

Booked: --- ***Ruud Heus

FC Asskickers had a slight upper hand during the game, but didn't manage to score through the first 120 minutes. Since Feyenoord weren't able to do so either, a penalty shootout was needed to separate the teams. There, FC Asskickers remained coolest and managed to claim the final spot.

Kremlin - Blue Revolution 0 : 2

Scorers: --- ***Kunimichi Kasaya (89.), Kiemon Uetake (5.)

Booked: Katai Asahara, Manus Vrauedeunt ***---

Blue Revolution took an early lead in this one, but there were plenty of chances for both teams. However, Kremlin never managed to get a ball in, and Blue Revolution finished the game off with another goal in the last but one minute.

14. GM's ramble

Erkrath Gladiators still lead the Premiership, but their gap has closed down from five to three points. With four games to go, they look pretty certain to win it, but it's still possible for FC Asskickers in second to catch them. Third place features three teams, all seven points behind the table toppers: Blue Revolution, Night Owls and Desassossego Blues. The relegation zone look ready to relegate, with the last safe place being Twin Peaks Owls at 16 points, and

the three teams below the line being Gamblers United (10), the Potato People (6) and Ergodic Theorems (6). Erkrath Gladiators remain luckiest, while Blue Revolution are unluckiest.

Feyenoord lead Lexington League with 26 points, now only one point ahead of Sheffield Thursday who won both games this round. Car Park Rangers hold the last promotion spot with 22, but several teams chase right behind them. The Ages (13), Fjortoft's Friends (13) and St. Helens (11) are below the line, desperately trying to catch either Dead Dino Storage or Time Will Tell, who both have 16 points. Springfield United are now luckiest, while Fjortoft's Friends are still unluckiest.

Call of Cthulhu put a point between them and Thinkers FC for the Berkeley Conference top, and they have four points down to G.I.D. in third. Dummys in fourth are only one point behind G.I.D., though... The relegation race now looks like a four horse thing, Sleep Wanderers (13), Frackers FC (12), Harestua IL (10) and Saturday Morning FC (7) fighting over one safe spot. Dummys are now luckiest, while Saturday Morning FC are unluckiest - in fact, their expected points tally has now exceeded 13.

Chess Masters climb to the top of Kirkwood Showdown with 29 points, one ahead of Professors of Jazz. Tamriel Athletic in third have 26, having to watch their backs as Magical World (24) and Team Tobbi (23) are still within range to cause trouble. Interchangeable Parts still hold the last place of doom with 4 points, now with two points to catch up to First Men of Rome. Chess Masters are now luckiest, while Coventry are now unluckiest.

Erkrath Gladiators are still luckiest in the league system, now followed by Dummys and Frackers FC.

Saturday Morning FC are still unluckiest, still followed by Blue Revolution and Famous Battles.

The home has increased to 9 VP. In the next issue, rounds 19 and 20 will be played.

The deadline for issue 11 is Friday, October 16, at 2130 CET.

I will send out the teams soon.
