Erkrath Gladiators vs. Fantasy Finale
Ajax Aswandam vs. Drawmongers FC
Stars vs. Twin Peaks Owls
Kremlin vs. Currents of Space

14. GM's ramble

My apologies for how long it took to get this issue out. That means there's just a bit over a week for the last deadline, but I hope you'll manage - after all, we've had our periods with weekly deadlines, so I trust it'll work out. If you're going away on Christmas holidays, make sure you send your teams before you go!

Currents of Space lead the Premiership with 20, one point ahead of FC Asskickers. Feyenoord are closest with 15, with Ubermenschen (14) and Formula 1 Legends (13) the current main rivals for medals. Goal difference keeps Call of Cthulhu (9) over the relegation line, leaving Magical World (9), Chicken Run (9), Illuminatus! (8) and Night Owls (4) under it. Like last round, Formula 1 Legends are luckiest and St. Helens unluckiest.

The top two of Division 1 West are Drawmongers FC (22) and Botanica (18). Challenging these for the Premiership promotion are Fjortoft's Friends (17), Dummys (15), ENPS (15) and Fantasy Finale (14). Below the relegation line, we find Dead Dino Storage (5), Sheffield Thursday (5) and Thinkers FC (3). Dummys are luckiest so far, while Slartibartfast FC are now unluckiest.

In Division 1 East, it is Serial Killers (22) and Enga (19) who are lined up for the Premiership. However, WrapUp also have 19 points and thus very much contend these spots. For the Championship promotion, Famous Battles (15) look likely, with a very tight race between Stars, Lake Tanganyika and Desassossego Blues, all with 12. Below the line here: ForEverton (6), Springfield United (4) and Professors of Jazz (4). Serial Killers remain luckiest, while Queen stay unluckiest.

Moving up from Division 2 West at this point are Ajax Aswandam (21), Molde FK (17) and Madmartigan City (16), with Make or Break (16), Parsifal (16) and Valiant City (15) clearly in contention. The relegation line break increases from three to four points. Valiant City are now luckiest, while New Generation remain unluckiest.

Kremlin top Division 2 East with 22 points, with the closest challengers being CF Adidal (18), Love Songs (18) and Stadium Dreams (17). Extreme have distances the other mid table teams, meaning here too, the mid table gap is four points. Castaway remain luckiest, while The Scientists are now unluckiest.

Just like last round, Formula 1 Legends are luckiest of all, ahead of Serial Killers and Currents of Space. St. Helens remain unluckiest of all, now followed by Queen and ForEverton.

The home advantage has increased to 8 VP. In the next issue, rounds 13 and 14 will be played. In addition, the Rosedale Knockout quarter finals will take place.

The deadline for issue 8 is Friday, December 23, at 2130 CET.

I will send out the teams soon.
