1. Introduction

Hello and welcome to the new season!

This time, we welcome three new players to our game: Craig Bucknall with the club Foxwood City, Martyn Hathaway with the club Yorkies and Marcin Makowski with the club pirxy. Welcome to the game! In addition, I have the pleasure of welcoming back Jørgen Bjørnelv, this time with the club Duckburg City. Trond K. Botnen has restarted, and his new club is called Song of Ice and Fire. These five clubs join in Division 3 together with seven established clubs.

So, what is new? Primarily, the new program version is released!

As you can see in the table description, the rule change takes effect, as every response I received was in favour - team 12 in Premiership double-relegated and team 4 in Division 1 promotes to the Championship.

So, on to the information:

The deadline for issue 2 is Friday September 28, at 21:30 CET. It's always Fridays at 21:30 CET. Refer to GM's ramble for a time zone breakdown.

Next issue, you send orders for:
* match days 1 and 2 in the league (see section 12)
* the first cup round (see section 13)

This round, the home advantage is 6 VP. The home team is listed first in the league schedule. All cup games are on neutral field (no home advantage).

In addition, as always, you send coaching (except the seven who just joined us, you will have coaching every round later, but not this first round). Optionally, you can also discover talents and buy/sell players.

I will send out the teams your soon.

Refer to GM's ramble, section 14, for further comments.

14. GM's ramble

(for the main information, refer to the Introduction)

For reference, as far as I know, deadlines are currently (with me being GMT+2 due to daylight savings) like this for you:

- * Friday 14:30 Central United States
- * Friday 15:30 Eastern United States
- * Friday 20:30 United Kingdom
- * Friday 21:30 Austria, Germany, Netherlands, Norway, Sweden
- * Saturday 01:00 India
- * Saturday 03:30 Eastern Kalimantan
- * Saturday 04:30 Japan
- * Saturday 06:30 New South Wales

(if I missed someone's location, my apologies!)

For later rounds, I'll include the luck statistics in this section.

For those so inclined, there is a chatgroup for the game. It doesn't have a very high volume - it hits a little peak now and then when a thread pops up, but it doesn't add significantly to your mail volume. It's a yahoogroup called rosedaleopen - you can join it from the homepage.

Information for new players: Every issue from 2 to 12 contain two league matches. Cup draws are done in odd (1,3,5...) issues, cup games are played in even (2,4,6...) issues.

Issue 1: Start of the season issue, no matches played. First GM's auction and cup draw shown here.

Issue 2: Most players will discover all their three talents here, before the first matches.

Issue 6: This issue is the last chance to discover talents and still have them reach 7 this season.

Issue 7: This issue contains the last GM's auction of the season (sold in issue 8).

Issue 10: This issue is the last chance to add players to the transferlist.

Issue 12: This issue is the last chance to sell players to the non-league.
