1. Introduction

Hello and welcome to the new season!

Three new managers join the fold. We have Gary Picon with Elmstead Casuals, Paul Cockayne with The Odalisques and Christer Kallin with Atrix FC. Good to have you with us, and good luck crossing swords with the veterans!

As I mentioned in the previous email, the new program version is ready for download. If you have any questions or comments, let me know.

The deadline for issue 2 is Friday June 14, at 21:30 CET. It's always Fridays at 21:30 CET.

I think the below list is correct, for reference:

- * Friday 14:30 Central United States
- * Friday 15:30 Eastern United States
- * Friday 20:30 United Kingdom
- * Friday 21:30 Austria, Germany, Netherlands, Norway, Sweden
- * Saturday 01:00 India
- * Saturday 03:30 Eastern Kalimantan
- * Saturday 04:30 Japan
- * Saturday 06:30 New South Wales

Next issue, you send orders for:

- * match days 1 and 2 in the league (see section 12)
- * the first cup round (see section 13)

This round, the home advantage is 6 VP. The home team is listed first in the league schedule. All cup games are on neutral field (no home advantage).

In addition, as always, you send coaching (except the three who just joined us, you will have coaching every round later, but not this first round). Optionally, you can also discover talents and buy/sell players.

I will send out the teams your soon.

For those so inclined, there is a chatgroup for the game. It doesn't have a very high volume - it hits a little peak now and then when a thread pops up, but it doesn't add significantly to your mail volume. It's a yahoogroup called rosedaleopen - you can join it from the homepage.

Information for new players: Every issue from 2 to 12 contain two league matches. Cup draws are done in odd (1,3,5...) issues, cup games are played in even (2,4,6...) issues.

Issue 1: Start of the season issue, no matches played. First GM's auction and cup draw shown here.

Issue 2: Most players will discover all their three talents here, before the first matches.

Issue 6: This issue is the last chance to discover talents and still have them reach 7 this season.

Issue 7: This issue contains the last GM's auction of the season (sold in issue 8).

Issue 10: This issue is the last chance to add players to the transferlist.

Issue 12: This issue is the last chance to sell players to the non-league.

2. Broadcast messages

None.

3. Apprentices discovered

None.

4. League results

No games yet.

5. League tables
