1. Introduction

I had a program crash while processing the transfer list. The clubs that were possibly affected are Dirigentia con Brio, Car Park Rangers, Saturday Morning FC and Sjokoladen BK. I have calculated it by hand and tried to make sure it is right, but feel free to check yourself too.

The early deadline for issue 10 is Friday July 11, at 21:30 CET.

The deadline for issue 10 is Friday July 18, at 21:30 CET.

Next issue, you send orders for:

* match days 17 and 18 in the league (see section 12)

* the Rosedale Knockout semi finals (see section 13)

This round, the home advantage is still 8 VP. The home team is listed first in the league schedule. All cup games are on neutral field (no home advantage).

In addition, as always, you send coaching. Optionally, you can also discover talents and buy/sell players.

By the time you read this, I have already sent out your teams. If you haven't received them, let me know.

I offer email reminders for the game - if you want to be reminded periodically about the deadline, let me know.

Lake Tanganyika - Ubermenschen 0 : 0
Booked: --- ***Habermas
The definite top match of the round, with the two clubs who were #1 and #2 before this weekend facing off. It was the home side who were stronger, but Ubermenschen could celebrate one point as the first club to get anything at all away against Lake Tanganyika this season.

A solid game from Lunar Sea that puts some more distance between these two clubs.

Division 2 Match day 16
