Jed Stone, Frilby United:

«Sports Section Lonsdale Courier - Jack Ludgute - Football Historian on:-

The Tale of Stumpy Peters Part 3

The meeting between Stumpy Peters and the Midnight Bomber was not long in coming. They were drawn together in the first round of the Cup. Saturday Morning had won four of the last eight times the teams had met. The other three has been drawn. Sheffield Thursday had yet to find the back of the net. The first half was an even match. Neither could get a strong advantage. The Morning defence was strong enough to hold the 'Bomber' at bay. Then, with ten minutes to go a pass was intercepted, an accurate cross-field lob put the ball at the Bomber's feet and he was away. He slid easily through the defence cutting diagonally across the field into the box from where he thundered a shot towards the top left corner where old Stumpy intercepted it with ease. The groans and cheers from the different fan packs had barely rolled across the ground when a deathly silence descended. Stumpy had dropped the ball on the goal line and placed his foot on it. He stood there bouncing on his wooden leg watching the Bomber who with one step dropped and slid across the pitch with determined accuracy at the ball. At the last second Stumpy flipped the ball aside and hopped over the Bomber as he slid gracefully into the net, picked the ball up and sent it accurately down the pitch to the centre forward who had it in the back of the net before the opposition knew what was happening. The two teams met on several other occasions but that first meeting was historic and was never to be forgotten by those who saw it happen.»
