## 1. Introduction

---

---

Hello all, and welcome to the new season! Let's hope for a tight and exciting competition.

We welcome Rapid Crew as a new club to the league system, managed by Atrix FC's manager, Christer Kallin.

After one season of experience with an early deadline, it's a good time to review. It has certainly made a pretty big difference on people getting orders in earlier, which was the goal, so that's good. I'm going to relax the rules a little - orders sent in marked «final» will become final an hour after they're sent, so if you like to proof-read after sending, that is fine. I will still grant the early orders bonus for orders sent at the early deadline. You will still be allowed to add private trades after sending final orders.

Please notice the deadlines - if you go away for Christmas and New Year, make sure to get in your orders before you leave! I would normally not put any kind of deadline on Dec 25, but I think it's best to always stick to Fridays, and there's more than two weeks for you to make it.

The early deadline for issue 2 is Friday December 25, at 21:30 CET. It's always Fridays at 21:30 CET.

The deadline for issue 2 is Friday January 1, at 21:30 CET. It's always Fridays at 21:30 CET. Publication of issue 2 expected latest Wednesday January 13.

If issue 2 is out on time, the deadlines for issue 3 will be January 22 and 29. If you have heard nothing by the expected publication, feel free to get in touch to check up on it.

I think the below list is correct, for reference:

- \* Friday 14:30 Central United States
- \* Friday 15:30 Eastern United States
- \* Friday 20:30 United Kingdom
- \* Friday 21:30 Austria, Germany, Netherlands, Norway, Sweden
- \* Saturday 01:00 India
- \* Saturday 03:30 Eastern Kalimantan
- \* Saturday 04:30 Japan
- \* Saturday 06:30 New South Wales

Next issue, you send orders for:

- \* match days 1 and 2 in the league (see section 12)
- \* the first cup round (see section 13)

This round, the home advantage is 6 VP. The home team is listed first in the league schedule. All cup games are on neutral field (no home advantage).

In addition, as always, you send coaching. Optionally, you can also discover talents and buy/sell players.

By the time you read this, I have already sent out your teams..

I offer email reminders for the game - if you want to be added to that mailing list and be reminded periodically about the deadline, let me know.

For those so inclined, there is a chatgroup for the game. It doesn't have a very high volume - it hits a little peak now and then when a thread pops up, but it doesn't add significantly to your mail volume. It's a yahoogroup called rosedaleopen - you can join it from the homepage.

Season information:

Every issue from 2 to 12 contain two league matches. Cup draws are done in odd (1,3,5...) issues, cup games are played in even (2,4,6...) issues.

Issue 1: Start of the season issue, no matches played. First GM's auction and cup draw shown here.

Issue 2: Most players will discover all their three talents here, before the first matches.

Issue 6: This issue is the last chance to discover talents and still have them reach 7 this season.

Issue 7: This issue contains the last GM's auction of the season (sold in issue 8).

Issue 10: This issue is the last chance to add players to the transferlist.

Issue 12: This issue is the last chance to sell players to the non-league.
