1. Introduction

Hello all, and welcome to the new season!

The most noticeable news is that I have cut out 12 clubs from the league system, shrinking it from 5 to 4 divisions. Check the tables to see where your clubs are now playing.

Please notice the deadlines - if you can, I advise you to get orders in before Christmas, just in case the festive season and New Year get busy. Also keep in mind that this is the first time I ask my programs to shrink the division system - I hope there will be no bugs, but please keep your eyes open.

I wish everyone reading the Rosedale Sun a merry and peaceful Christmas and a Happy New Year!

The early deadline for issue 2 is Friday January 5, at 21:30 CET. It's always Fridays at 21:30 CET.

The deadline for issue 2 is Friday January 12, at 21:30 CET. It's always Fridays at 21:30 CET. Publication date for issue 2 is Wednesday January 24. It might be out sooner.

If issue 2 is out on time, the deadlines for issue 3 will be February 2 and 9. If you have heard nothing by the expected publication, feel free to get in touch to check up on it.

I think the below list is correct, for reference:

- * Friday 14:30 Central United States
- * Friday 15:30 Eastern United States
- * Friday 20:30 United Kingdom
- * Friday 21:30 Austria, Germany, Netherlands, Norway, Sweden, Switzerland
- * Saturday 01:00 India
- * Saturday 04:30 Japan

Next issue, you send orders for:

- * match days 1 and 2 in the league (see section 12)
- * the first round of the Rosedale Knockout (see section 13)

This round, the home advantage is 6 VP. The home team is listed first in the league schedule. All cup games are on neutral field (no home advantage).

In addition, as always, you send coaching. Optionally, you can also discover talents and buy/sell players.

By the time you read this, I have already sent out your teams..

I offer email reminders for the game - if you want to be added to that mailing list and be reminded periodically about the deadline, let me know.

For those so inclined, there is a chatgroup for the game. It doesn't have a very high volume - it hits a little peak now and then when a thread pops up, but it doesn't add significantly to your mail volume. It's a yahoogroup called rosedaleopen - you can join it from the homepage.

Season information:

Every issue from 2 to 12 contain two league matches. Cup draws are done in odd (1,3,5...) issues, cup games are played in even (2,4,6...) issues.

Issue 1: Start of the season issue, no matches played. First GM's auction and cup draw shown here.

Issue 2: Most players will discover all their three talents here, before the first matches.

Issue 6: This issue is the last chance to discover talents and still have them reach 7 this season.

Issue 7: This issue contains the last GM's auction of the season (sold in issue 8).

Issue 10: This issue is the last chance to add players to the transferlist.

Issue 12: This issue is the last chance to sell players to the non-league.
