1. Introduction

Hello all, and welcome to the new season! This time, let me give a thank you to Taco Kraijenbrink who created the new (old) club Extreme and helped fill out the league system.

I've also created a club called Bid Four FC which will NMR everything except sales and bids. I will manually sell off those I don't think the club will need, and the club will bid 4 more than NL value for most players offered on GM/transfer list. If you want to outbid Bid Four FC, you need to bid 5 more than the NL value to be sure. I will never touch its tactics.

Since issue 2 is by far the most work-intensive issue to make in a season, I hope that if you are able to, you will go for that early deadline reward.

The early deadline for issue 2 is Friday May 1, at 21:30 CET. It's always Fridays at 21:30 CET. The deadline for issue 2 is Friday May 8, at 21:30 CET. It's always Fridays at 21:30 CET. Publication date for issue 2 is Wednesday May 27. It might be out sooner.

If issue 2 is out on time, the deadlines for issue 3 will be June 5 and 12. If you have heard nothing by the expected publication, feel free to get in touch to check up on it.

I think the below list is correct, for reference:

- * Friday 14:30 Central United States
- * Friday 15:30 Eastern United States
- * Friday 20:30 United Kingdom
- * Friday 21:30 Austria, Germany, Netherlands, Norway, Sweden, Switzerland
- * Saturday 01:00 India
- * Saturday 04:30 Japan

Next issue, you send orders for:

- * match days 1 and 2 in the league (see section 12)
- * the first round of the Rosedale Knockout (see section 13)

This round, the home advantage is 6 VP. The home team is listed first in the league schedule. All cup games are on neutral field (no home advantage).

In addition, as always, you send coaching. Optionally, you can also discover talents and buy/sell players.

Orders that reach me before the early deadline clearly marked «final» waive your chance to change them, in return for a cash bonus of 20 kKj to your club.

By the time you read this, I have already sent out your teams..

I offer email reminders for the game - if you want to be added to that mailing list and be reminded periodically about the deadline, let me know.

For those so inclined, there is a chatgroup for the game. It doesn't have a very high volume - it hits a little peak now and then when a thread pops up, but it doesn't add significantly to your mail volume. It's a yahoogroup called rosedaleopen - you can join it from the homepage.

Season information:

Every issue from 2 to 12 contain two league matches. Cup draws are done in odd (1,3,5...) issues, cup games are played in even (2,4,6...) issues.

Issue 1: Start of the season issue, no matches played. First GM's auction and cup draw shown here.

Issue 2: Most players will discover all their three talents here, before the first matches.

Issue 6: This issue is the last chance to discover talents and still have them reach 7 this season.

Issue 7: This issue contains the last GM's auction of the season (sold in issue 8).

Issue 10: This issue is the last chance to add players to the transferlist.

Issue 12: This issue is the last chance to sell players to the non-league.
