1. Introduction

I accidentally set publication to tomorrow (the 9th), so although the issue is early, today is actually when I intended to publish it. In either case, since the issue is early, we'll stick with the previously announced schedule.

The early deadline for issue 3 is Friday September 17, at 21:30 CET. It's always Fridays at 21:30 CET.

The deadline for issue 3 is Friday September 24, at 21:30 CET. It's always Fridays at 21:30 CET.

Publication date for issue 3 is Wednesday October 13. It might be out sooner.

If issue 3 is out on time, the deadlines for issue 4 will be October 22 and 29. If you have heard nothing by the expected publication, feel free to get in touch to check up on it.

This round, the home advantage is 6 VP. The home team is listed first in the league schedule. All cup games are on neutral field (no home advantage).

In addition, as always, you send coaching. Optionally, you can also discover talents and buy/sell players.

Orders that reach me before the early deadline clearly marked «final» waive your chance to change them, in return for a cash bonus of 20 kKj to your club. Optionally, you can let me know your orders are «always final» - an option for those of you who never change your orders anyway.

By the time you read this, I have already sent out your teams. If you haven't received them by the day after the publication, please get in touch.

2. Broadcast messages

Jed Stone, Frillby United:

«Trillian Lane - Training ground of Slartibartfast

The small white mouse perambulated carefully along the white line towards the far goal mouth. He moved carefully along the line so as not to attract the attention of the kestrel that was hovering near the far end of the field where the Slartibartfast team were performing some strange group training manoeuvres. The presence of the kestrel was not particularly a problem. Benjamin mouse was, in several senses of reality, a small protrusion into this dimension of a vast hyper intelligent pan-dimensional being called Allgarh. Had the kestrel tried to grab him it would have had the same effect as grasping the tip of an elephant's tail and trying to fly off with the whole animal. Not at all deadly. Just embarrassing...for the kestrel. Fortunately, Benjamin made it to the foot of the goalpost without being molested.

For the most part male mice refrain from 'cocking a leg' as a dog would if there is the slightest chance of being observed in the act as it is considered 'uncouth'. Benjamin was sure he wasn't being observed and such an act always attracted the attention of Bezruth, another vast hyper intelligent pan-dimensional being, who, at the moment, was manifesting his protrusion as a goal post. It always worked as Bezruth found it infuriating. The reaction was immediate.

'Bog off you infuriating little rat! I'm busy!!!'

'I'm a mouse not a rat and you are busy doing what exactly?'

'I am observing the qualities of the Slartibartfast team in preparation for the coming season. I have placed a large wager on them winning both the League and the Cup!'

'What!! That lot! That forward line would be hard pressed to kick a ball into a large barn with both doors wide open! You have wasted your money!'

'You know nothing!! So, if you have nothing better to impart kindly *Piss Off!*'

'Oh! I have. I have. I came to ask you why we are here?'

'That, I believe, is self-evident! We are here to observe. We are the 'Watchers'. The official Philosophers of Human Nature, with a special emphasis on football!'

'Ok! so, who exactly sent us? Why the special emphasis on football? The Universe plays football! Even the one footed Muniapods of Venuras five play football. Why are we not here to watch cricket or fishing or something that's not universal?'

'Hmmm! You raise an interesting point. I shall give the matter due consideration and get back to you when I have formulated an opinion. In the mean-time kindly piss off so I can continue my observations in peace!'

'Ok, but there's something fundamentally wrong round here!'

'Something apart from the idea that VAR is a good idea?'

'Yes!' said Benjamin as he cocked his leg once more.

'Hey! I said Piss Off!!!' snapped the goalpost.

'That's exactly what I was trying to do,' retorted Benjamin as he perambulated down the white line back the way he had come.»

 Scorers: Mike Robe (48.), T. Partie (60.) ***Ralf Schuhmacher (19.)

 A slow game that went all the way to a penalty shootout, where New Generation eventually prevailed.

Magical World - Foxwood City 1 : 0

ENPS - Song of Ice and Fire 4 : 3 a.p. (0 : 0 ot., 0 : 0)
Booked: --- ***Grenn, Grey Worm, Othell Yarwyck
A slight upper hand for ENPS, but they didn't manage to convert it during normal play. However, in the end, they won out on penalty kicks.

Dirigentia con Brio - Tamriel Athletic 4 : 0
Scorers: Aszhkenazy (21., 76.), Dalal (76., 84.) ***---

Premiership opposition was a bit much for Love Songs right now, but how about in a couple seasons?

Kremlin - Frock Frogs 3 : 1
Scorers: Tigran Zenjarplan (32., 68., 74.) ***The Scotsman (28.)
Frock Frogs actually got off to the best start, with The Scotsman making progress on chasing a skateboarding friend of Doug, but in the end, long term state planning proved superior to vampire hunting.

Hydra Conglomerate - Castaway 2 : 0
Scorers: Peely (36.), Gary (12.) ***---

The Scientists - Lunar Sea 4 : 5 a.p. (0 : 0 ot., 0 : 0)

Scorers: Donna (13., 23.), Benson (64.), Sjampie (70.) ***---

This was one of those matches where two Premiership sides face off in round one of the knockout. This time that was unfortunate for Sheffield Thursday.

A slow and even game, where Lake Tanganyika's penalty kick proved decisive.

Springfield United - Queen 1 : 5

Scorers: Nelly Potato (30.), Brooke Lynn (61.) ***---

Premiership side Parsifal got the one goal they needed to defeat Cosmopolitan.

Currents of Space - Yorkies 4 : 0

Atrix FC edged out just the extra goal they needed to advance to the next round.

A solid win for Jirs Nightmare County.

Rapid Crew - Slartibartfast FC 2 : 0
Scorers: Magdalena Sabuni (12., 76.) ***---
Booked: --- ***Gag Halfrunt
All plans were off when it turned out that Prostetnic Vogon Jeltz had a cold and couldn't speak properly, and nobody had remembered to bring a poetry book. Magdalena Sabuni took good care of the opportunity presented.

Insomniacz S-Pulse - pirxy 6 : 5
Insomniacz edged the opposition out by one goal.

Sjokoladen BK - Ergodic Theorems 2 : 3
It turns out that you can prove there's an extra square of chocolate if you cut it just right and pretend there's no reduction in the size of the cut pieces.
