Here are the latest results! Since the issue is early, we'll stick with the previously announced schedule.

This time, we welcome a new manager! Ingo Broneske has taken over the reigns at Love Songs. See the broadcast messages for his own intro.

The early deadline for issue 8 is Friday March 18, at 21:30 CET. It's always Fridays at 21:30 CET.

The deadline for issue 8 is Friday March 25, at 21:30 CET. It's always Fridays at 21:30 CET. Publication date for issue 8 is Wednesday April 13. It might be out sooner.

If issue 8 is out on time, the deadlines for issue 9 will be April 22 and 29. If you have heard nothing by the expected publication, feel free to get in touch to check up on it.

This round, the home advantage increases to 8 VP. The home team is listed first in the league schedule. All cup games are on neutral field (no home advantage).

In addition, as always, you send coaching. Optionally, you can also discover talents and buy/sell players.

Orders that reach me before the early deadline clearly marked «final» waive your chance to change them, in return for a cash bonus of 20 kKj to your club. Optionally, you can let me know your orders are «always final» - an option for those of you who never change your orders anyway.

By the time you read this, I have already sent out your teams. If you haven't received them by the day after the publication, please get in touch.

Jed Stone, Frillby United:

«Beeblebrox Park Stadium. Saturday. Slartibartfast v Thinkers FC  
When Zelda Crumpata was two, she would spend hours playing with her dolls under the watchful eye of her Gran who sat nearby knitting socks. When she was nine, she learnt her Gran had died several years before she was born. Zelda realised she could see dead people and became a 'Mystic'. She had a 'Spirit Guide'. An Apache Chief called Yamatoo Mongpat. Generally he appeared in full Indian gear, feathered headdress, and all. However, he had also appeared as a walrus, a three toed sloth and a post box. It is, therefore, not surprising that when Madame Zelda found a small white sitting next to her at the match she thought nothing of it, even when it thanked her for the small piece of cheese she removed from her sandwich and passed across to him.

The match was hardly old enough to have started when Prostetnic Jeltz was brought down in the box by an exceedingly bad tackle. A cheer rose from the Cop as the ref pointed at the spot. 'Here we go. A winner all the way' said Zelda as Prostetnic squared up to the ball. 'I doubt it.' Said the mouse. 'He would have trouble kicking the ball into a barn with both doors wide open.' The ball flew high and wide and was caught by spectators in the back row of the Cop. 'Told you so,' said the mouse. 'I'm sure he'll find a way to get the ball into the net eventually.'

Twenty minutes later and the Thinkers lost Tom Hobbies after he took the legs of the Slarty winger who was haring down the right wing with the ball. He was showered with a hail of Boo's from the Slarty boys who were penned into the Cop by the patrolling Skelthorpe WI and their rolling pins. 'If it wasn't for those rolling pins I feel they would have torn him apart', mused the Mouse.

'They're harmless', replied Madame Zelda. 'Show them a hedge and they'll curl up and go to sleep under it. It's a side effect of drinking Pan Galactic Gargle Blasters'.

'I doubt looking at a Gargle Blaster is safe never mind drinking one,' replied the mouse but made a mental note to experiment later

Into the second half and Deep Thought was booked for 'accidentally' kicking Rousseau instead of the ball. Five minutes later Rousseau was booked for the same offence against Deep Thought. Fifteen minutes later Aquinas tried to barge Deep Thought off the ball but merely bounced off him and took out the ref who promptly booked him for assault.

'That Deep Thought is like a mobile bouncy castle or giant jelly.' mused the Mouse.

The match was in the last quarter when Prostetnic Jeltz was sent off for putting the ball into the Slatibartfast net with the goalkeeper desperately holding on to it.

'That's Vogons for you,' said the mouse. 'Act now. Consider the action tomorrow and then write a really, really, bad poem about it the day after.'

With four minutes to go Humma Kavula got the ball and flew down the middle of the field, slithering past all the Thinkers and slid the ball gracefully by the Keeper.

'That was surprisingly fast for a Slavian,' mused the mouse. 'He could have been a ballet dancer with moves like that.' He then thanked Madame Zelda for the cheese and disappeared into the departing crowd.

Final score. Slartibartfast 1. Thinkers FC 0 »
