## 1. Introduction

---

---

Hi all,

This is the edited version of season 1. As previously announced, Chicken Run has retired instead of Currents of Space. The old introduction is below. This means the following:

- \* Every time you were listed against Chicken Run in the league, you're actually facing Currents of Space
- \* Sheffield Thursday faces Chicken Run (a non league team) in the first round of the Knockout
- \* Saturday Morning FC faces Currents of Space (not Chicken Run)
- \* The early deadline is pushed to December 29
- \* The main deadline is pushed to January 19
- \* The publication date for issue 2 is February 14

Everything else is exactly how it was. You can find the old introduction below.

--

Hello all, and welcome to the new season!

We welcome a new manager this time, as Niall Grimes has joined us with the club Castle United! He's in for a challenge with all you experienced opponents, but I wish him the best of luck.

The strongest club of the league system, Currents of Space, has retired into the Hall of Fame. That means there was a free spot in the Premiership, so the club finishing 10th in every division has avoided relegation. Apart from that, promotions and relegations have happened as usual.

Now that we start the new season, all the new rules are now in effect. Since issue 2 is by far the most work-intensive issue to make in a season, I hope that if you are able to, you will go for that early deadline reward. Final deadline is pushed until after New Years since I know many are away during the holidays. There is also one extra week for adjudication compared to all the other issues.

The early deadline for issue 2 is Friday December 29, at 21:30 CET. It's always Fridays at 21:30 CET.

The deadline for issue 2 is Friday January 19, at 21:30 CET. It's always Fridays at 21:30 CET. Publication date for issue 2 is Wednesday February 14. It might be out sooner.

If issue 2 is out on time, the deadlines for issue 3 will be February 23 and March 1. If you have heard nothing by the expected publication, feel free to get in touch to check up on it.

I think the below list is correct, for reference:

- \* Friday 14:30 Central United States
- \* Friday 15:30 Eastern United States
- \* Friday 20:30 Ireland, United Kingdom
- \* Friday 21:30 Austria, Germany, Netherlands, Norway, Sweden, Switzerland
- \* Saturday 01:00 India
- \* Saturday 04:30 Japan

Next issue, you send orders for:

- \* match days 1 and 2 in the league (see section 12)
- \* the first round of the Rosedale Knockout (see section 13)

This round, the home advantage is 6 VP. The home team is listed first in the league schedule. All cup games are on neutral field (no home advantage).

In addition, as always, you send coaching. Optionally, you can also discover talents and buy/sell players.

Orders that reach me before the early deadline clearly marked «final» waive your chance to change them, in return for a cash bonus of 20 kKj to your club.

By the time you read this, I have already sent out your teams.

I offer email reminders for the game - if you want to be added to that mailing list and be reminded periodically about the deadline, let me know. Likewise, if you receive reminders but no longer want them, just let me know.

#### Season information:

Every issue from 2 to 12 contain two league matches. Cup draws are done in odd (1,3,5...) issues, cup games are played in even (2,4,6...) issues.

Issue 1: Start of the season issue, no matches played. First GM's auction and cup draw shown here.

Issue 2: Most players will discover all their three talents here, before the first matches.

Issue 6: This issue is the last chance to discover talents and still have them reach 7 this season.

Issue 7: This issue contains the last GM's auction of the season (sold in issue 8).

Issue 10: This issue is the last chance to add players to the transferlist.

Issue 12: This issue is the last chance to sell players to the non-league.
