If issue 7 is out on time, the deadlines for issue 8 will be December 4 and 11.

If you have heard nothing by the publication date, feel free to get in touch to check up on it. You can also check the homepage to see if the new issue is out or not.

This round, the home advantage remains 7 VP. The home team is listed first in the league schedule. All cup games are on neutral field (no home advantage).

In addition, as always, you send coaching. Optionally, you can also discover talents and buy/sell players.

By the time you read this, I have already sent out your teams. If you haven't received them on the day after the publication, please get in touch.

Jed Stone, Frillby United:

"Letter to the Sports Editor Eric Philpotts LONGDALE COURIER - Skelsthorpe

Dear Editor, I have no idea what a Slavian Speed slug looks like but I do know how to find out and how to deal with one. When I were a lad I read the 'Eagle' comic. On front there was always 'Dan Dare - pilot of the future' and his mate Digby. They were space pilots. One day an alien invaded their ship and it could make itself look like anything by affecting your brain waves. It became Digby so Dan saw two Digby's! He knew what to do. He took a picture of the Digbys with a Polaroid camera! A camera doesn't have brain waves so it made a picture of an alien and Digby! So Dan knew which Digby was Digby and he zapped the alien Digby with his ray-gun. I've got a Polaroid camera but unfortunately I don't have a ray gun. However, I've seen Mel Gibson's film 'Signs' so I know aliens are killed by water! I've bought a 'Super Blaster' water pistol and I shall be at the ground on Saturday when we play The Dummys. I'll check 'em as they get off the bus with me camera and zap any aliens among them with the super blaster! They wont get near the pitch!!

Just to be safe I've made myself a helmet out of kitchen foil. Mel wore one in 'Signs' as alien thought waves bounce off kitchen foil! Them aliens wont be able to fool me on Saturday! Yours faithfully Tommy Truet.

PS. I suggest you make yourself a kitchen foil hat to protect yourself from alien thought waves."

3. Apprentices discovered
