1. Introduction

Here are the latest results! Since the issue is early, we'll stick with the previously announced schedule.

The early deadline for issue 12 is Friday August 5, at 21:30 CET. It's always Fridays at 21:30 CET.

The deadline for issue 12 is Friday August 12, at 21:30 CET. It's always Fridays at 21:30 CET. Publication date for issue 12 is Wednesday August 31. It might be out sooner.

If you would like to start a new club next season, now's a great time to let me know. Also, if you know someone who might want to play with us, now's a good time to extend an invitation!

If you have heard nothing by the publication date, feel free to get in touch to check up on it. You can also check the homepage to see if the new issue is out or not.

This round, the home advantage remains 9 VP. The home team is listed first in the league schedule. All cup games are on neutral field (no home advantage).

In addition, as always, you send coaching. Optionally, you can also discover talents and buy/sell players.

Orders that reach me before the early deadline clearly marked «final» waive your chance to change them, in return for a cash bonus of 20 kKj to your club. Optionally, you can let me know your orders are «always final» - an option for those of you who never change your orders anyway.

By the time you read this, I have already sent out your teams. If you haven't received them by the day after the publication, please get in touch.

2. Broadcast messages

Jed Stone, Frillby United:

«Trillian Lane - Training ground of Slartibartfast (Early morning)

"We are Observers with special interest in football". said Bezrath, 'We know all there is to know about the game. We even understand the offside rule.'

And yet,' said Algarth,' We can find no explanation as to why anyone would place a large amount of money on Slatybartfast to win a match when they have a known track record for failing to win!'

'Their match against The Scientists was a poor performance,' said Hallifac, 'though Poodoo's tackle on Crick was a classic example of how to prevent a forward scoring.'

'And if they had been playing rugby, I am sure it would have gained a standing ovation,' added Algarth. 'Unfortunately, that sort of tackle is not allowed in football. I will admit the goal he scored against Grimm the following match was perfection. A rocket shot from outside the box. The defence never saw it coming. I can understand the followers of the team being faithful but those placing bets on such a team seem to travel more in hope than with sense.'

Thongral landed with a flurry of feathers and a smell of vinegar. 'Good money is going to England to win the World Cup.' She cooed. 'I just read it in the paper'.

'You've been at the chip papers again,' scolded Hallific. 'Don't you know it's seagulls that steal chips, not pigeons!'

'Now that's a thought,' mused Bezrath and promptly disappeared leaving his puzzled friends looking at a standard wooden goalpost.»
