1. Introduction

Hello everyone! Here are the first results of the season. Since the issue is early, we'll stick with the previously announced schedule.

The early deadline for issue 3 is Friday November 18, at 21:30 CET. It's always Fridays at 21:30 CET.

The deadline for issue 3 is Friday November 25, at 21:30 CET. It's always Fridays at 21:30 CET. Publication date for issue 3 is Wednesday December 14. It might be out sooner.

If issue 3 is out on time, the deadlines for issue 4 will be December 23 and 30. If you have heard nothing by the expected publication, feel free to get in touch to check up on it.

Next issue, you send orders for:

* match days 3 and 4 in the league (see section 12)

This round, the home advantage remains 6 VP. The home team is listed first in the league schedule. All cup games are on neutral field (no home advantage).

In addition, as always, you send coaching. Optionally, you can also discover talents and buy/sell players.

Orders that reach me before the early deadline clearly marked «final» waive your chance to change them, in return for a cash bonus of 20 kKj to your club. Optionally, you can let me know your orders are «always final» - an option for those of you who never change your orders anyway.

By the time you read this, I have already sent out your teams. If you haven't received them by the day after the publication, please get in touch.

2. Broadcast messages

Jed Stone, Frillby United:

«Your history records that just prior to the 1966 World Cup the Jules Rimet trophy was stolen from a display cabinet at an exhibition and later found, under a hedge, by a dog called 'Pickles'. It also records that England then went on to win the Competition. Twenty years later, in the 1986 competition England was knocked out in the quarter finals by a goal scored by 'The Hand of God'. In ten other major competitions England has lost seven out of ten 'penalty shootouts and generally fails to reach the final of any competition they are in. These are the historic facts as you know them, but the Universe is a strange place, and the truth is often stranger than history would have you believe. We are The Watchers. It is our job to know the truth.»
