1. Introduction

Hello everyone! Here are the latest results. Since the issue is early, we'll stick with the previously announced schedule.

The early deadline for issue 6 is Friday March 3, at 21:30 CET. It's always Fridays at 21:30 CET.

The deadline for issue 6 is Friday March 10, at 21:30 CET. It's always Fridays at 21:30 CET. Publication date for issue 6 is Wednesday March 29. It might be out sooner.

If issue 6 is out on time, the deadlines for issue 7 will be April 7 and 14. If you have heard nothing by the expected publication, feel free to get in touch to check up on it.

Next issue, you send orders for:

- * match days 9 and 10 in the league (see section 12)
- * the 3rd round of the Rosedale Knockout (see section 13)

This round, the home advantage remains 7 VP. The home team is listed first in the league schedule. All cup games are on neutral field (no home advantage).

In addition, as always, you send coaching. Optionally, you can also discover talents and buy/sell players.

Orders that reach me before the early deadline clearly marked «final» waive your chance to change them, in return for a cash bonus of 20 kKj to your club. Optionally, you can let me know your orders are «always final» - an option for those of you who never change your orders anyway.

By the time you read this, I have already sent out your teams. If you haven't received them by the day after the publication, please get in touch.

2. Broadcast messages

Jed Stone, Frillby United:
«The watchers Log 4

It took some time for the young Zargon to track back to the wormhole that had delivered the note into his universe and further time to track the wormhole to its source. Football was an unknown concept to Zarguon but he soon got the idea and realised that it could be a money spinner. By the use of video footage and clever marketing, he sold the concept of football to a universe that grabbed it with both hands, paws, tentacles and other similar appendages. The concept spread like wild fire pulling with it another previously unknown phenomenon, the Pools Coupon. So it was, that a small piece of paper brought both the concept of football and betting shops to the Rosedale Universe and certain individuals became very rich indeed.»
