### 1. Introduction

---

Hello everyone! Here are the latest results. Since the issue is early, we'll stick with the previously announced schedule.

I had a computer crash while processing the Premiership this time. I think everything is ok now, but for those of you with clubs in the Premiership, it might be a good idea to check that things are in order, especially in terms of whether your players got credited for out of position play and things like that. Let me know if you notice anything off.

The early deadline for issue 10 is Friday July 21, at 21:30 CET. It's always Fridays at 21:30 CET.

The deadline for issue 10 is Friday July 28, at 21:30 CET. It's always Fridays at 21:30 CET. Publication date for issue 10 is Wednesday August 16. It might be out sooner.

If issue 10 is out on time, the deadlines for issue 11 will be August 25 and September 1. If you have heard nothing by the expected publication, feel free to get in touch to check up on it.

Next issue, you send orders for:

- \* match days 17 and 18 in the league (see section 12)
- \* the Rosedale Knockout semi finals (see section 13)

This round, the home advantage remains 8 VP. The home team is listed first in the league schedule. All cup games are on neutral field (no home advantage).

In addition, as always, you send coaching. Optionally, you can also discover talents and buy/sell players.

Orders that reach me before the early deadline clearly marked «final» waive your chance to change them, in return for a cash bonus of 20 kKj to your club. Optionally, you can let me know your orders are «always final» - an option for those of you who never change your orders anyway.

By the time you read this, I have already sent out your teams. If you haven't received them by the day after the publication, please get in touch.

Jed Stone, Frillby United: «Watchers Log 8

The 66 World Cup was in the bag! Paylord Mangus's money bought or bribed the necessary publicity to put England on the winners rostrum. The fix was on. The weak link was the Diffilain Mangum Dwarf who had discovered the true result. Though he worked for Paylord he was a paid spy for a certain Interdominion being who had placed mega bucks on England to win. Beyond the plan a new plan was born. As a result, just before the England team left the dressing room a wormhole opened and the entire team were kidnapped and replaced by a team of replicants. Specially prepared, highly efficient robotic replicants who won the 66 World Cup in England's name. After the match, in the dressing room, the wormhole reopened and the brainwashed England players were substituted for the replicants. Then while England celebrated, in another dimension an alien bookie lost a lot megabucks and an alien gambler grew even richer. »
