---

---

Hello everyone! Here are the latest results. Since the issue is on time, we'll stick with the previously announced schedule.

The early deadline for issue 12 is Friday September 29, at 21:30 CET. It's always Fridays at 21:30 CET.

The deadline for issue 12 is Friday October 6, at 21:30 CET. It's always Fridays at 21:30 CET. Publication date for issue 12 is Wednesday October 25. It might be out sooner.

If you would like to start a new club next season, now's a great time to let me know. Also, if you know someone who might want to play with us, now's a good time to extend an invitation!

Next issue, you send orders for:

- \* match days 21 and 22 in the league (see section 12)
- \* the Rosedale Knockout final

This round, the home advantage remains 9 VP. The home team is listed first in the league schedule. All cup games are on neutral field (no home advantage).

In addition, as always, you send coaching. Optionally, you can also discover talents and buy/sell players.

Orders that reach me before the early deadline clearly marked «final» waive your chance to change them, in return for a cash bonus of 20 kKj to your club. Optionally, you can let me know your orders are «always final» - an option for those of you who never change your orders anyway.

By the time you read this, I have already sent out your teams. If you haven't received them by the day after the publication, please get in touch.
