1. Introduction

Hi all!

Here are the latest results. Please check for errors, and let me know if you find any!

The interest for Nightmare Mode clubs was limited, so I think most likely, I will put that idea on the shelf for now and instead trim the league system to 3 divisions from next season onwards. I will probably make a decision by the time I publish issue 9, so if you have input, feel free to chime in before then.

The early deadline for issue 9 is Friday November 7, at 21:30 CET. It's always Fridays at 21:30 CET.

The deadline for issue 9 is Friday November 14, at 21:30 CET. It's always Fridays at 21:30 CET. Publication date for issue 9 is Wednesday December 3. It might be out sooner.

If issue 9 is out on time, the deadlines for issue 10 will be December 12 and 19. If you have heard nothing by the expected publication, feel free to get in touch to check up on it.

Next issue, you send orders for:

* match days 15 and 16 in the league (see section 12)

This round, the home advantage remains 8 VP. The home team is listed first in the league schedule. All cup games are on neutral field (no home advantage).

In addition, as always, you send coaching. Optionally, you can also discover talents and buy/sell players.

Orders that reach me before the early deadline clearly marked «final» waive your chance to change them, in return for a cash bonus of 20 kKj to your club. Optionally, you can let me know your orders are «always final» - an option for those of you who never change your orders anyway.

By the time you read this, I have already sent out your teams. If you haven't received them by the day after the publication, please get in touch.

Jed Stone, Frillby United: «Billsborough Div 1 Match Day 2 - Sheffield Thursday v Castaway "Found it!", exclaimed Thongral landing in a flurry of feathers and nearly sending Ben mouse flying off the south stand roof. "Not half a mile away from 'Desert Isle' is a field of standing corn with a large crop circle in it with the three burnt pad marks of a Mark 004B Flying Saucer, vintage 1950's, clearly visible in the centre!" "Impossible!" grumbled the disturbed mouse as he recovered his composure. "The crops round here were gathered in a month or so ago. There shouldn't be any standing corn." "Not impossible just improbable," said Hallifric the learned owl as he watched the match below. "OUCH!" exploded in their minds as Cubague's shot slammed into the goal post below before ricocheting back up the field. "Sorry! I didn't see that coming," said Bezruth from down below. "Castaway seem to have the bit between their teeth at the moment! Trying to impress the boss. " "So, an alien abduction, 1950's style is a possibility,' continued Hallifric. "Perhaps the manager isn't off his trolley after all! It is very improbable though. Perhaps as improbable as finding standing corn and marks from an obsolete 004B?" "How about a pig with wings?" inquired Thongral. " Is that an improbability as well? I only ask because there's one sitting on it's nest in the oak tree over there." »

After a bit over an hour, Trendy managed to score the winning goal for New Generation.
