Norge er klart overrepresentert med antall bidrag i boka Kevlin Henney har redigert, nemlig "97 Things Every Programmer Should Know", som kom ut i disse dager. Dette vil vi gjerne feire, så vi inviterer til et lite releaseparty! Kevlin Henney selv vil innlede, og vi har invitert alle de skandinaviske bidragsyterne til å delta og holde en lyntale om sitt bidrag. Til tross for nederlaget på herrestafetten kan vi berolige alle med at her har Norge hvertfall klart flest bidrag i Skandinavia. :)

Programutvikling har vært så snille å kjøpe inn en haug med eksemplarer av boka som dere kan få kjøpt på meetupen til en svært rimelig pris, og som bidragsyterne om ønskelig kan signere.
